

### Curriculum

Each day children ages 4-6 will color with Ms. April. Students will learn about the color wheel, coloring techniques, and fashion fun.

#### Supply List:

Miss April Fashion Girl Coloring Book & Crayons purchase at The Lounge by Mom Redefined

**1. COLOR with your friend ROY G. BIV**

Students will learn the 7 basic colors found in the rainbow and color one sheet from the coloring book using those 7 colors.

**2. SHADES OF COLOR**

Students will learn how to use one color and its many shades while coloring one sheet using the technique from the coloring book.

**3. CROSSHATCHING**

Students will learn how to create texture using crosshatching and color one sheet using the technique from the coloring book.

**4. 3D COLOR MIXING**

Students will have fun mixing and matching colors and adding 3D elements on one sheet from the coloring book.

**5. FREESTYLE**

Students will use one or all of the techniques from previous classes to color one sheet from the coloring book.

**6. DISPLAY**

Take all 5 coloring sheets and attach them to poster board for a final presentation & prize.

### **Curriculum**

Each day students ages 7-12 will get a fashion 101 with Ms. April. Students will learn about the design process and how to retail their newly designed product with a Crabtree Valley Mall retailer.

#### **Supply List:**

Miss April Fashion Girl Activity & Sketchbook, Colored Pencils, polish or tween press-on nails at The Lounge by Mom Redefined.

#### **1. CREATE A MOOD BOARD**

Students will learn the start of the design process by creating a mood board by finding inspiration in magazines, the web, or with color.

#### **2. DESIGN**

Students will design outfits for MISS APRIL® and her BEST FASHION FRIENDS in their sketchbook based on the mood board.

#### **3. NAIL & MAKEUP**

Students will learn how to finish a fashion look by adding makeup and nails by FASHION GIRL COSMETICS.

#### **4. PUT IT ALL TOGETHER**

Students will find an item at home to upcycle as their product for retail.

#### **5. READY FOR RETAIL**

Student will photograph themselves in their product to produce an ad for any retail store in Crabtree Valley Mall.

#### **6. DISPLAY**

Take all 5 lessons and attach them to poster or display board for a final presentation & prize.
